Brett,

In response to your questions:

- 1) No.
- 2) No.
- 3) SJB may be called upon to assist other engineering firms in connection with its services to the DOTD. SJB is mindful of the restrictions in Section 1121C and will not assist other engineering firms in connection with transactions in which Mr. Russo participated while he was an employee of the DOTD.

Please let me know if you have any other questions. Thanks.

Alesia

Subject: Advisory Opinion Follow-UP
Importance: High

Good morning Alesia,

I recently received your advisory opinion request on behalf of Vincent Russo. I have a few questions in order for the Board to more properly answer this request.

- 1) Does Mr. Russo currently have or anticipate having any ownership interest in SJB?
- 2) Would Mr. Russo receive any form of compensation from SJB for work performed by SJB in transactions that Mr. Russo participated in while employed by the DOTD?
- 3) Would the contract with the DOTD for services to be performed by SJB include any other parties besides DOTD or SJB?

I may have some additional questions. If you have any other information that may be helpful to this matter, please do not hesitate to provide it. I appreciate your prompt attention to this matter.

Thanks,

Brett Robinson
