Dear Attorney General Landry,

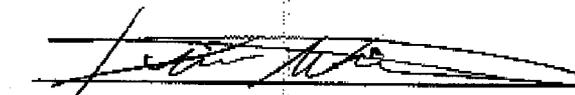

I am requesting an opinion from your office as a result of the following circumstances.

For the past eight years I have been a volunteer member of the St. Bernard Parish Planning Commission. This commission hears various planning and zoning requests. It then makes recommendations to the St. Bernard Parish Council for final determination on the subject matter. It is a part-time position where the Board generally meets once a month unless there is a need for a special meeting.

In February 2016, Parish President Guy McInnis offered to me a paid part-time position in the Recreation Department of Parish Government. I have accepted the position. I now wonder if this is a violation of dual office holding. Certainly, I want no violation.

Therefore, please provide to me at the earliest date possible an opinion on this matter. Thanking you in advance for all your courtesies regarding this request.

Sincerely,

Kevin Williams
