Re: Employment After Retirement

Dear Ethics Board;

I have recently retired from Parish Government and have been offered a job with a contractor that does work for the Parish. I have asked the Parochial Employees Retirement System if this would be a problem and was told in a letter that as long as I was not being paid by the Parish that I could work for anyone. I would like clarification on this as I would not be paid by the Parish. Also, I would not be involved with any negotiation between the Contractor and The Parish.

Would this be an Ethics issue or violation?

Sincerely:

L.J. Brady
