This past election cycle was the first instance in which he has accepted any campaign donations, which totaled \$2,950.00. Therefore, prior to this past election cycle, he never had to file a Campaign Finance Disclosure Report. He did not have a clear understanding of the filing requirements and any mistake which was made was certainly unintentional. He has disbursed all of the funds in his campaign account following his re-election as he does not intend on running for public office after this term. He has always strived to be the best public servant possible and to abide by any campaign finance requirements for public officials.

RE: Late Fee Assessment - Request for Waiver

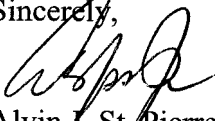

Dear Sir/Madam:

My name is Alvin St. Pierre, Jr., and I am the District 1 Councilman for the Parish of St. James. I received a Notice of Late Fee Assessment for the October 12, 2019 election.

Please note that in my 23 years of public service, I have never accepted campaign donations from the public or any other third party. This past election cycle was the first instance in which I have accepted any campaign donations, which totaled \$2,950.00. Therefore, prior to this past election cycle, I never had to file a Campaign Finance Disclosure Report. I did not have a clear understanding of the filing requirements and any mistake which was made was certainly unintentional. I have disbursed all of the funds in my campaign account following my re-election as I do not intend on running for public office after this term. I have always strived to be the best public servant possible and to abide by any campaign finance requirements for public officials.

Please accept this correspondence as a formal request for waiver of the \$1,000.00 late fee assessment or alternatively to reduce said fee accordingly. I would appreciate any consideration. I am truly sorrow for any inconvenience this may have caused.

Sincerely,

Alvin J. St. Pierre, Jr.
