COMMENTS: Toby Thibodeaux request a waiver and states the following: . He ran for Police Juror of Ward 7 in Assumption Parish and runoff for the November 2019 election. His wife had a mammogram in November and was referred to a breast specialist where she had a biopsy and was diagnosed with breast cancer. if you look back at my campaign finance reports you will see that they were all submitted in a timely manner. To whom it may concern,

My name is Toby Thibodeaux. I ran for Police Juror of Ward 7 in Assumption Parish. The results of the October 2019 election put me in a runoff in the November 2019 election. My wife had a mammogram in November and was referred to a breast specialist where she had a biopsy and was diagnosed with breast cancer. If you look back at my campaign finance reports you will see that they were all submitted in a timely manner. I did lose track of time with all that was going on and as soon as I realized that I had not submitted my 40 day after election report I did so immediately. Please take this into consideration in regards to the late fee that was assessed on September 28, 2020. Attached you will find the medical documents to confirm what my family was going through at that time. At this time my wife is still going through medical procedures due to her diagnosis. Thank you for your time and consideration with this matter.

Thankfully,

Toby Thibodeaux
