\*Date received electronically. **Law requires that candidates for "major offices" and "district offices" file campaign finance reports electronically.**

† An annual report is due by March 2, 2026, if contributions received or expenditures made in 2025.

This schedule of reporting and filing dates should be followed by all candidates in this election and by all committees supporting or opposing candidates in this election. Leadership committees must file reports on a monthly basis; however, all other committees may elect to report on a monthly basis.

Candidates for “major offices” and “district offices” must electronically file these reports.

Candidates for “any other offices” must file reports only if they receive contributions in excess of \$5,000 in the aggregate during the aggregating period, excluding the candidate’s personal funds, or make expenditures in excess of \$5,000.

“**Major offices**” include each statewide elected office (Governor, Lieutenant Governor, Secretary of State, Attorney General, State Treasurer, Commissioner of Agriculture, Commissioner of Insurance), **Public Service Commissioner, Supreme Court Justice, Court of Appeal Judge, BESE**, District Court Judges elected parish-wide in Orleans, any other office with an election district containing a population in excess of 250,000.

\*Includes offices elected parish-wide in East Baton Rouge, Jefferson, Orleans, and St. Tammany; District Attorneys in the 1<sup>st</sup>, 15<sup>th</sup>, 19<sup>th</sup>, 21<sup>st</sup>, 22<sup>nd</sup>, 24<sup>th</sup> Judicial Districts; District Court Judges in the 21<sup>st</sup> and 22<sup>nd</sup> Judicial Districts

“**District offices**” include office of a member of the Louisiana Legislature, all offices elected parish-wide (except in East Baton Rouge, Jefferson, Orleans, and St. Tammany), all offices elected in more than one parish (unless the population exceeds 250,000), all offices elected in a district with a population in excess of 35,000 (but less than 250,000), district court judgeships (except those in Orleans Parish or in districts over 250,000); family court, juvenile, and city court judgeships; city court marshals and city court constables, offices elected in a city or parish election in a parish with a municipality with a population of 300,000 or more (Orleans Parish), offices to a board or governing authority which has within its jurisdiction a municipality with a population of 225,000 or more (East Baton Rouge Parish).

\*Includes offices elected citywide in the cities of Alexandria, Bossier City, Kenner, Lafayette, Lake Charles, Monroe, and Shreveport, and offices elected in East Baton Rouge that are not parish-wide.

“**Any other offices**” are those offices that do not fall within the definitions of major or district offices who makes expenditures in excess of \$5,000 or receives contributions, not including the candidate’s own funds, in totaling in excess of \$5,000.

There are limits on the amount of funds which may be received by candidates from one source, excluding their personal funds and funds from political parties. Those limits, which apply separately to the primary and the general elections, are as follows:

\$12,000 - major office candidates  
\$6,000 - district office candidates  
\$2,000 - any other office candidates

If the person making the contribution is a committee with over 250 members who contributed at least \$50 to the committee in the preceding calendar year, then the contribution limits may be doubled.

**Special Reports:** Certain transactions that occur during the 20 days preceding an election must be reported within 2 business days of the transaction. Those transactions are (1) the receipt of over \$2,000 by major office candidates or committees, over \$1000 by district office candidates or committees, over \$500 for any other office candidates or committees, or (2) the expenditure of over \$500 to any person who makes endorsements and who must file campaign finance disclosure reports.
